- These are full sib embryos to the tremendous Lot 1 heifer in Churchill Cattle Co.'s sale this past fall, which sold for \$50,000 to Harrison Cattle Company. The 7144E heifer is an outstanding prospect for the showing in addition to being a top breeding piece in any herd. She is as balanced as you can make one. We purchased her dam in the 2013 Churchill sale and she has been a top producer for us. Selling four (4) sexed heifer IVF embryos with a guarantee of one (1) pregnancy if put in by a certified embryologist.
